

July 1998
Employee of the Month

Scott Malone of Physical Therapy is the All Children's Hospital Employee of the Month for July. Scott works in the Physical Therapy Department as a Physical Therapist and has been with the hospital since 1995. Scott was nominated for Employee of the Month by the mother of one of our kids who said "Scott, I must thank you for your time, your patience and your firmness with my son. He was walking around the house tonight by himself! No walker, no walls, no hands! He walked straight forward about 30 feet and then walked back and forth just to show off! Thank you for working so hard with him. This has been an exceptional year for him. I know from the day we met that if anyone could get my son to walk, it would be you. What confirmed this in my heart was when I remembered seeing you on TV [ACH Telethon] working with another child. I remember thinking a person who is that dedicated to 'his kids' is really a special person. And then I thought how wonderful it was that you were the one who worked with my son! I can't thank you enough!" Scott, All Children's Hospital thanks you for the outstanding work you do in Physical Therapy and your wonderful Service Excellence! Congratulations for being selected Employee of the Month!
